.

Supplemental

Awards: What awards or honors has your solution received, if any?

Tell us about your partnerships

Challenges: What challenges might hinder the success of your project and how do you plan to overcome them?

Big challenge that might hinder my project is that my colleague and myself , we are all at college with studies ongoing as well as we lack experience but we have advisors who are helping us to pass through those challenges.

How does your idea help young people create bright futures and improve opportunities for meaningful and long-term careers?

The idea of foundation brings together young people from different institutions with different professionals as for the top management includes different departments so as these young people experiencing tasks concerning related to studies they are taking at different universities in the country. This means it's an opportunity for the meaningful and long-term careers.
