Project Summary

Elevator Pitch

Concise Summary: Help us pitch this solution! Provide an explanation within 3-4 short sentences.

Breaking stereotypes. APEAL is challenging and neutralizing atmosphere that entangles youth in radicalization and militancy. We want to educate, inform and empower youth.

About Project

Problem: What problem is this project trying to address?

Civilized Citizen Society and Academy for promotion of education and life-care are aimed at empowering women and providing children with a better and safer future. Civilized Citizen Society will train and aware youth in democracy and human rights and prepare youth for future!

Solution: What is the proposed solution? Please be specific!

Creating awareness and providing opportunities is need of the hour. In our society, the root cause of social evils is misguidance. We want to educate youth in this regard by conducting awareness programs and technical education programs to empower them economically and socially.
