Concise Summary: Help us pitch this solution! Provide an explanation within 3-4 short sentences.

We were SO very pleased with every aspect of our trip. Our agent, Christina, listened very carefully, responded quickly. We were in communication with her over a few months, and she never tired of our questions. She had quite a few good suggestions for us, as it was obvious she knew how to handle

Solution: What is the proposed solution? Please be specific!

This was an excellent trip. Colleen spent weeks working with me to put together an itinerary that matched all the areas and places we wanted to see. We had a wonderful time and this China travel agency went as far as to have fruit delivered to our rooms in each city just as a personal touch to make our anniversary trip that much more special. We are recommending this China travel agency to our friends and family! We loved all the areas of China we visited. It's hard to pick but the best parts were the cruise on the Li River, the town of Yangshuo and the Panda Breeding Reserve in Chengdu. Would have spent an extra day in Shanghai vs Beijing. Between the two cities, we liked Shanghai more.

Impact: How does it Work

Example: Walk us through a specific example(s) of how this solution makes a difference; include its primary activities.
