Project Summary

Elevator Pitch

Concise Summary: Help us pitch this solution! Provide an explanation within 3-4 short sentences.

Lors que les Hommes voient une différence entre eux -même et leurs partenaires, les autres éléments tel que le capital culturel, le capital économique et le capital social surgissent. L'homme qui était au départ le demandeur, va compléter cette différence ou montre son désaccord par la violence. Dans ce cas les femmes au lieu de montrer leur compétences, ils s'abandonnent et elles deviennent des victimes.
