

What we did (up to this point):

- **3 years of developing and validating** of our social business concept;
- **Over 250 hours** of unique educational content and **400+ different educational materials** produced.
- **2000+ paying customers** with 0 promotion actions.
- **600+ children** participating in our pro-bono activities
- **300 sqm activities center** and design offices.
- **In-house production:** we have our own research and design operation as well as a small production workshop for our teaching materials
- **Developing partnerships** with schools, NGO's, Corporate CSR projects & Foundations.
